PRODUCT DESCRIPTION

artek A338 Bilberry Pendant

Perfect alone or in a group, the small, round “Bilberry” is particularly suited to spotlighting interior features such as paintings or surfaces. The beautiful A338 embodies Alvar Aalto’s genius for detail and is allegedly named after his favourite berry. The “Bilberry” was originally created to highlight art in the house near Paris designed by Alvar Aalto for French gallerist and collector Louis Carré.
