PRODUCT DESCRIPTION

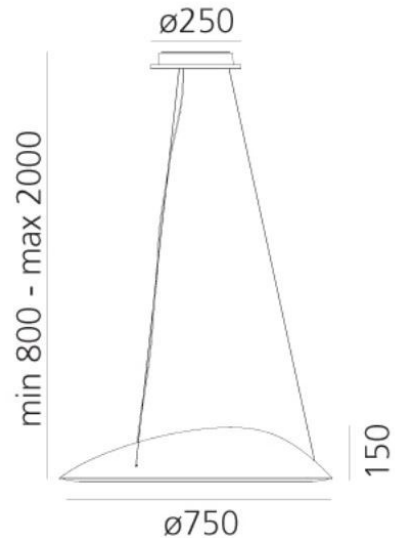

Designer: Mercedes-Benz Style

Ameluna Suspension App compatible by Artemide

An iconic and unique design was created from the collaboration of Artemide and Mercedes-Benz. Both companies have always been human centred, about the experience and interaction. Ameluna's name comes from combining Artemide, Mercedes-Benz and luna, which in Italian means moon. This masterpiece is a distinct suspension light, with a transparent body and an aluminium frame. The Ameluna App Compatible is controlled via the Artemide App, allowing to change light intensity. Ameluna suspension light is available as [standard version](#) (dimnable via Push) and [Ameluna RGB](#) which is controlled via the App and you can adjust the intensity and colours.
