PRODUCT DESCRIPTION

Designer: Michele De Lucchi

Ipno by Artemide

The Ipno suspension was designed by Michelle de Lucchi for Italian lighting brand, Artemide. Traditional and classic in its design but fitted with the latest technology. A refined suspension light, with a magical effect.

Light is emitted through the material in a direct way, with no glare. The light source works with a Total Internal Reflection (TIR) to direct the light emission. Ipno is perfect to be installed low above a desk or office, dining tables and is excellent for both domestic and hospitality use. Part of the same collection, the [Ipno Glass](#) suspension is also available with a large glass diffuser.
