ModoLuce Disk Table Lamp

The ModoLuce Disk Table Lamp redefines lighting with its ingenious tilting metal disc, allowing effortless control over the direction of light. Designed to create dynamic and evolving atmospheres, the Disk table lamp invites interaction, giving users the ability to craft their ideal lighting environment with a simple adjustment.

Encased within a fabric lampshade, the Disk is available in a variety of finishes, including cotton, washable, wool, and Kvadrat fabrics, with the option to choose from ModoLuce's wide range of colours, all paired with a sleek metal structure in classic white or black. Perfect for desks, bedside tables, or reading nooks, this lamp combines practical functionality with elegant design, seamlessly blending into any modern or contemporary interior.
