PRODUCT DESCRIPTION

Designer: Joel Karlsson

Orsjo Belysning Pebble Elongated Suspension Light

The Elongated Pebble suspension light is made from hand blown glass, ensuring each light is unique. Designed by Joel Karlsson, this truly is a statement piece. Karlsson drew inspiration from French designer, Serge Mouilles. The glass emits an atmospheric and glimmering blanket of light - great for dining areas and even hotel lobbies.

These lights look great either independently or clustered together as a group, you can play with both colour and shape to create a personalised feature. Hung at different heights, the two colour options compliment each other beautifully.
