PRODUCT DESCRIPTION

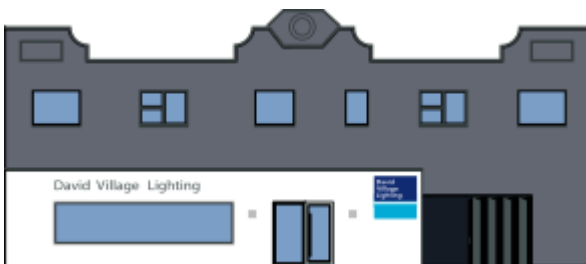

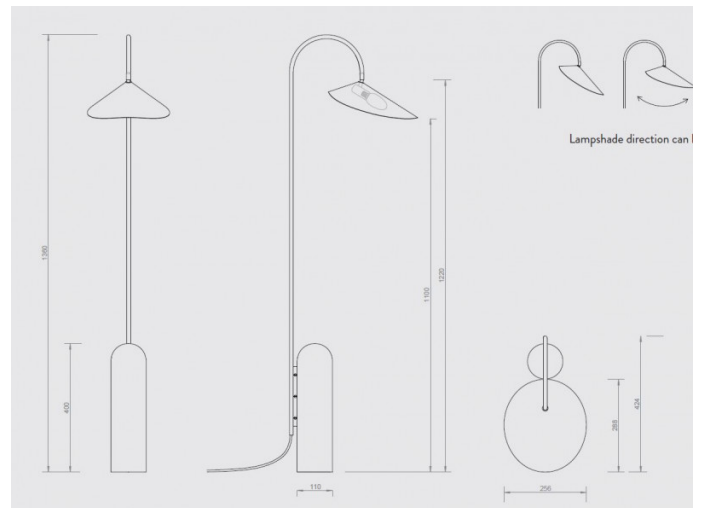

Ferm Living Arum Floor Lamp

Inspired by the arum plant, the Arum floor lamp has a leaf like shade that gently hangs from a curved steel frame like a leaf. The inside of the shade is in a matt white colour, ensuring a nice soft light. The shade is also adjustable allowing you to direct the light where you need. This floor lamp is an excellent choice for any setting, whether at home or at the office.

The Ferm Living Arum floor light is discrete yet stylish with two lovely colours to choose from with either a marble or travertine base. To create a real impact in your space, match with other lights from the [Ferm Lighting Arum collection](#).
