PRODUCT DESCRIPTION

Designer: Svend Aage Holm-Sørensen

Warm Nordic Cone Floor Lamp

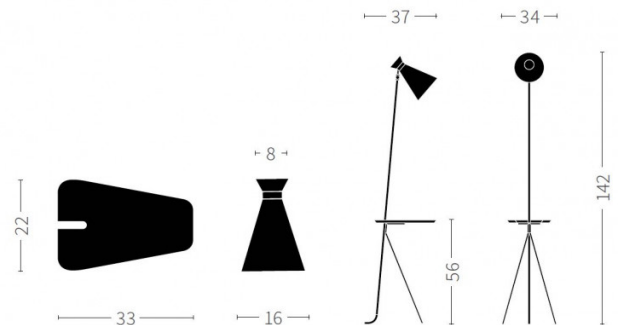

The Cone Floor Lamp was designed by Danish designer Svend Aage Holm-Sørensen in 1954. This classic design features an integrated table, a charming period detail that is perfect for holding a book or a cup of coffee. This table is available in a choice of teak, oak, or marble. The angle of the shade can be adjusted, and the direct lighting that it provides is ideal as a reading light. The Cone Floor Lamp creates a bright, welcoming light, and the perforations that line the shade allow light to escape, surrounding the shade in a subtle lighting effect.

The Cone Floor Lamp balances elegantly on a tripod base, a feature that was highly popular during the 50s. The brass detailing around the shade is synonymous with Holm-Sørensen, and is a feature that is often seen in his designs. Despite its extensive history, The Cone Floor Lamp fits into modern interiors, and the selection of finishes mean it will suit a range of personal styles and decors. Each lamp is finished Warm Nordic's exclusive silk-matt colour quality, ensuring a luxurious finish that is durable as well as beautiful.

PRODUCT SPECIFICATION

- Light Source:** 1 x Max 25W E27 (excluded)
- IP Code:** 20
- Dimming:** In line on/ off switch included on the cable.
- Dimensions:** Lamp:
 - Shade Ø: 16cm
 - Depth: 37cm
 - Width: 34cm
 - Height: 142cm
 - Cable Length: 300cm
- Table:
 - Length: 33cm
 - Width: 22cm
