Climber 87 Down LED Wall Light by Flos

The Climber 87 Down wall light, from renowned designer Piero Lissoni, radiates a glare free downward light at a beam angle of 14° or 73°. The smallest Climber in the range, the 87 Down LED light is ideally used in both outdoor and indoor areas due to its inconspicuous form and minimalist design.

Available in six colour choices including grey, forest green, white, black, deep brown and anthracite, the [Flos Climber collection](#) also includes two alternative sizes and all sizes are available in either down or upwards and downwards light emission. The Climber 87 Down LED wall lamp is also available in 2700K (warmest white), 3000K (warm white) and 4000K (cool white) colour temperatures.
