PRODUCT DESCRIPTION

Designer: Atelier Oi

Artemide Vitruvio Pendant

Inspired by clockwork making, Atelier Oi designed the Vitruvion collection which is comprised of a pendant and a floor lamp. An ingenious design, a metal discrete frame supports the glass sphere. The design is a result of technology, poetry, art and quality all merging into one product. The glass diffuser is made in such a way that it mitigates any glare. Available in a brass finish with transparent glass or a black colour finish with smoked glass.
