**Kartell TOY LED Table Lamp**

The bear of Moschino is relaunched by Kartell as a table light. A playful design by Jeremy Scott, that adds a fun touch in to your home! The TOY wears a white T-shirt with a logo to remind everyone that this is not yet another Moschino toy, a play of words. The TOY is a collaboration between Moschino and Kartell bringing together their common style. In 2020, Kartell and Jeremy Scott worked together again, to bring us the the TOY lamp in a metallic gold finish. A lavish version of the original table lamp, the TOY in gold still retains the "I am not a Moschino toy" label on the front.
