PRODUCT DESCRIPTION

Designer: Sinja Svarrer Damkjær

The Bouquet 130M5 Chandelier by Le Klint

The Bouquet collection was inspired by the flower handlers at an Italian market while Sinja Svarrer Damkjær, the designer, was on holiday. The Bouquet chandelier resembles spring flowers like tulips being tied into bundles, and the flower heads curving downwards, hanging beautifully.

The masterfully made braided linen cord represents the flower stem, whilst a wooden oak detail adds to organic feel of the 5 shade chandelier light. The wooden oak functions as a cord adjuster, allowing you to change the cord length in a fast and efficient way.

The Bouquet 130M5 chandelier is a bundle of 5 pleated pendants. This chandelier is also available with 3 and 7 lamp shades as part of the [Le Klint The Bouquet collection](#).

Each version within The Bouquet range is available with larger individual shades. Please [contact us](#) for details and prices for these larger shade options.
