Buster + Punch Hooked 3.0 Nude Pendant Chandelier

The Buster + Punch Hooked 3.0 Nude chandelier can be used to create a sculptural centrepiece in any room. Each of the three pendants can be adjusted and hooked onto a solid metal hook using a total cord length of 260cm, therefore each chandelier becomes a unique lighting fixture, edited to personal preferences.

The Hooked 3.0 nude suspension comes in a choice of steel, brass or smoked bronze which can be paired with either a crystal, gold or smoked bulb. The first designer LED bulb from Buster and Punch provides a warm and soft light, consuming just 1/20th of the energy of traditional bulbs and has a lifespan of 30,000 hours.

The [Hooked collection](#) from Buster + Punch also includes single suspensions and a larger chandelier. Additional Buster Bulbs which have been updated from polycarbonate to a new glass version, can be purchased separately – for more information, please [contact us](#).
