A Special 2019 Xmas Edition of the Iconic Tolomeo

The iconic and world famous Tolomeo lamp is now available in a special Christmas edition. The Micro table lamp comes in four colour options, a black base with a choice of coral, yellow, white or blue shade. It has been attributed the Bi-Colour name, to distinguish it from the classic Tolomeo table lamp that is available in three sizes and various colour options.

The [Artemide Tolomeo collection](#) was originally designed by Michelle de Lucchi and Giancarlo Fassina back in the '80s. The design quickly became famous and is now one of the most recognisable designer lights. Make this special and limited edition yours and add a pop of colour in a renowned Italian design.
