PRODUCT DESCRIPTION

Minima Twin Adjustable by Astro

Part of the Minima range of interior recessed lights by Astro, the Minima Twin spotlights are now available in a matt white and a stunning matt black option. The lights are dimmable via mains phase dimming, when used with a dimmable light source. The spotlights are adjustable and can be tilted up to 20° or rotated up to 360° allowing you to direct the light as you wish. Rated at IP20, Minima Twin are suitable for interior spaces, including bathrooms (strictly zone 3).

Please not that the Minima Twin can be installed in existing ceilings. Suitable only for plaster board installations, not for a solid ceiling
