PRODUCT DESCRIPTION

Borgo 55 by Astro

The new Borgo recessed light, Borgo 55 is a stunning downlight in a matt white painted trim. The light benefits from a high power LED integrated light source and can be dimmed, but requires an additional driver. Rated IP20, Borgo 55 is suitable for interior spaces, and looks wonderful in staircases or corridors. You can use the Borgo 55 in bathrooms as well, but strictly zone 3. You can further choose a colour temperature, between 2700K or 3000K, the latter version is also suitable for mounting on flammable material. Forward voltage per product is 2.80V.

Please note, requires a 700mA constant current driver, not included. Drivers differ depending on how many lights you want to install and whether you need them to be dimmable or not. Please [contact us](#) for more information and pricing
