Over LED Pendant Light by Prandina

The LED version of the [Prandina Over pendant](#), the Over LED pendant is a chic and timeless light that has an uncomplicated and smooth design. The lampshade is made from opal glass, blown into a rounded shape to produce an overall light diffusion that will warm the room. This pendant light is versatile, suitable for many settings and particularly useful in lounges, dining rooms and reception areas.

The Over LED pendant light is available in 2 sizes, the smaller S3 and the larger S5, so you can find the right size to fit into your space. The built-in LED light source also makes this version of the pendant more sustainable and eco-friendly. You can choose one light to have as a feature light for the room, or can buy many if you need to light up a much larger space. The LED Over pendant light will suit all your needs and will stay current and stylish for years to come.

The Prandina Over LED pendant is available as a dimmable light on request. Please [contact us](#) for more details and pricing.
