PRODUCT DESCRIPTION

Zerodieci LED Pendant Light by Prandina

The LED version of the [Zerodieci pendant](#), the Zerodieci LED pendant has an integrated light source, making it energy-saving and environmentally friendly. The lampshade is characterised by its rounded shape, being a simple and uncomplicated design which is reassuring and versatile.

The Zerodieci LED pendant light is available in 2 sizes, the smaller S5 and the bigger S7 so you can find the right fit for your space. The design of the pendant makes it suitable for a wide range of spaces, both commercial and domestic, looking stylish and effective. The shade diffuses the light really nicely, so a warm, soft ambience is achieved to create a far-reaching illumination. Buy several to put in rows or clusters or buy one to have as your feature light.

This pendant light is non-dimmable but is available as a dimmable light on request. Please [contact us](#) for more details and enquiries.
