PRODUCT DESCRIPTION

Designer: Thomas Bernstrand

Zero City Globe Exterior LED Wall Light

A modern take on architectural outdoor lighting, the Zero City Globe Exterior LED Wall Light is part of Zero's classic City collection, designed by Thomas Bernstrand. Recognised for its large, spherical diffuser, this fixture adds a sculptural yet functional element to building facades, garden walls, and urban spaces.

With a painted aluminium and metal body in black, this fixture features a dual-layered shade system. The outer shade is made of grey-toned polycarbonate, while the inner diffuser is crackled glass in grey, cognac, or red. Integrated LED technology it provides long-lasting illumination with a soft, diffused glow. Rated IP65, this fixture is built for outdoor durability, making it an ideal choice for residential exteriors, commercial entrances, and urban landscapes.

Please note, a DALI dimming version of this product is available; for more information and pricing, please [contact us](#)
