Rituals Alta Table Lamp by Foscarini

The Rituals Alta table lamp is part of the [Foscarini Rituals collection](#), a range by the design duo Ludovica and Roberto Palomba. The table lamp has a beautiful blown glass lampshade with circular etches which add an elegant and refined touch to the aesthetic of the lamp. The shade completely conceals the light source, diffusing it to create a warm, soft glow that will fill the room.

The Rituals Alta table light comes in two versions, the Rituals 1 and Rituals XL, which both have their own unique shape. The frosted glass shade is held by a metal base and stem, which is available in 3 colours, white, graphite or gold, whether you want a subtle or more luxurious finish. You can mix and match versions and colours to create a gorgeous variety in the room or use one as a stand-out piece. A stunning lamp, use the table light on tables, desks, shelves or ledges in a wide variety of rooms to create a warm ambience and elegant look.
