Santa & Cole Cestita Alubat Portable Lamp

Expanding the iconic [Cestita family](#), Santa and Cole introduce the Cestita Alubat based on Miguel Milá's original, classic design. Going one step further than the Cestita Bateria, the Alubat is a rechargeable lamp which can venture outdoors! Made of a robust aluminium structure and sealed plastic shade, the Cestita Alubat is as durable as it is versatile.

One single charge will give 5 hours of light at full brightness, 12 hours at medium brightness and 24 hours at minimum brightness. The Alubat takes only 6.5 hours for a full battery charge. The Santa and Cole Cestita Alubat is part of the brand's growing collection of design classics, symbols of Mediterranean warmth and comfort. The Cestita Alubat portable lamp is perfect to use both indoors and out, adding warmth to your space or prolonging the enjoyment of summer nights.
