Como Portable Table Lamp by &Tradition

The Como table lamp is a new 2020 design by Space Copenhagen and is a portable light that can be used in many different settings. The lamp has a rounded mushroom shape that attracts the eye and diffuses the light source softly. The table lamp has a bronzed colour finish, being able to slip into any design scheme and interior.

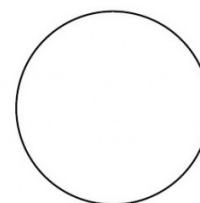

The Como table light has a touch 3-step dimmer so you can create the atmosphere you want. When fully charged, using the included charger cable, the portable light will last 9 hours on the highest dimming setting. The Como lamp can be used in homes and big commercial spaces to provide needed lighting, whether you want a warm ambience or a handy reading light.

This light is available to purchase with a compatible charging tray and trolley for multiple Como lamps, perfect for use in the hospitality sector and for big projects.
