Coordinates C1 LED Ceiling Light
by Flos

We currently have limited stock of this item in our [Clearance section](#).

The Coordinates C1 ceiling light is part of the [Flos Coordinates collection](#), a range designed by Michael Anastassiades. The ceiling light is made from 3 vertical and horizontal pieces that create a geometric shape that is eye-catching and artistic.

The Coordinates C1 ceiling lamp has an integrated LED light source which is concealed by a silicone diffuser, creating a warm yet effective glow. The LED ceiling light can be used in big and small spaces and is suitable for home and professional use. Use alone or in multiple to create a statement lighting piece.
