Panzeri Zero Round Vertical LED Pendant

The Zero Round Vertical Pendant is a standout piece in Panzeri's collection. Designed by Enzo Panzeri, the light's vertical orientation makes it a sophisticated addition to any space. Made from extruded aluminium and finished with a polycarbonate diffuser, this pendant emits a balanced, indirect and direct light.

Available in three sizes, 50cm, 75cm, and 100cm, and five colour finishes, the Zero Vertical Pendant allows for endless design possibilities. The integrated LED light source is energy-efficient and dimmable, making it perfect for ambient or task lighting in homes, offices, or hospitality settings.

Combine multiple pendants to create a bespoke lighting installation, or use a single piece as a statement feature.
