Gravity XL Floor Lamp by Gubi

A part of the [Gubi Gravity collection](#), the Gravity XL floor lamp was designed by Space Copenhagen, a duo who put contrast and balancing opposites at the forefront of their designs. Combining a heavy marble base with an airy lampshade, this floor lamp celebrates elegance and function with a truly unique aesthetic.

Available with a white marble, grey marble or black marble base and the choice between a white fabric or canvas shade, the Gravity XL floor light can be used in a wide variety of settings to provide a warm and inviting glow. The floor light is also available in a low or high size and has both a dimmer switch on the cable and a pull chain switch located inside the shade.
