"O" Indoor LED Floor Lamp by Artemide

The "O" floor lamp is a simplistic and modern light that has a clean rounded shape. When sat on the floor and switched off, this floor lamp frames the setting, providing a unique perspective to your interior. When switched on, the "O" floor light provides a steady and effective soft glow. The integrated LED source also sits on the inside of the frame, ensuring a no glare illumination.

This floor light is the embodiment of contemporary design, as it reflects the elements and has an unobtrusive nature perfect for many rooms. Use in homes, office spaces, professional settings and public places for a functional and ambient lighting solution.

The "O" LED floor light is available in an app compatible version which allows you to control the light remotely using the Artemide app on a suitable electronic device. Please [click here](#) to find out more.
