"O" Indoor LED App Compatible Floor Lamp by Artemide

Designed by Elemental, the "O" LED floor lamp is a streamlined, lightweight light that has a modern aesthetic. Made from aluminium with a black finish, the integrated LED light source sits on the inside, producing a soft yet effective glow, wonderful for many interiors. Framing its surroundings, this floor lamp acts in an artistic way whilst also not intruding on the room, being a perfect choice for a functional light that is also intriguing.

This version of the "O" floor light can be controlled using the compatible Artemide app. Using the app, you can control the dimming setting and other functions to make the best use of the light and your space. Use in domestic, commercial or professional settings for a sophisticated and contemporary lighting solution.
