## PRODUCT DESCRIPTION

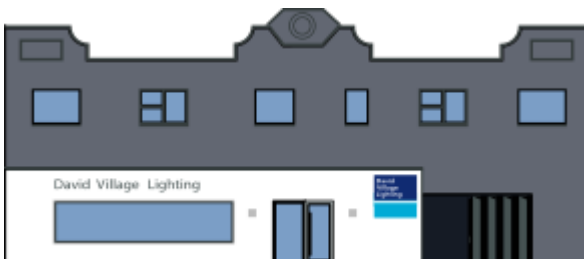

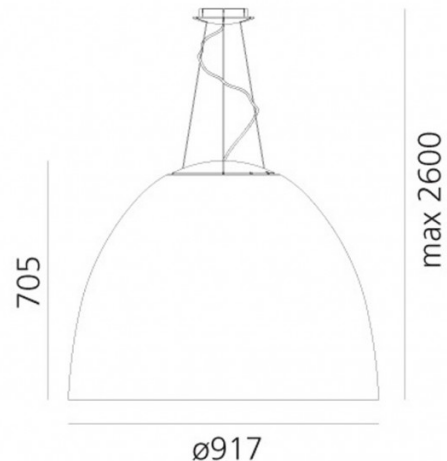

### Nur Acoustic LED Pendant Light by Artemide

A new release as part of the [Artemide Nur collection](#), the Nur Acoustic pendant has the classic Nur domed silhouette with a new material. The material acts to absorb sound waves, creating a pleasing sound environment in your interior.

The Nur Acoustic LED pendant lamp is available in 4 lovely colours, grey, blue, red, or green and with a big size, the pendant is suitable as a main light. The pendant lamp provides a downward directed light that is functional and also warming and soft. The integrated LED is also dimmable so you can create a nice ambience in your space.
