PRODUCT DESCRIPTION

Applique Cylindrique Petite Wall Light by Nemo Lighting

Designed by Charlotte Perriand, the Applique Cylindrique Petite wall lamp explores her interest in pivoting screens and function in design. The wall lamp has a metal lampshade in a lovely light blue, anthracite grey and white wash finish which can be moved with a simple touch, allowing for an orientable indirect glow.

The Applique Cylindrique Petite wall light can be used for many applications, being useful as a bedside lamp, to line your hallway or as a handy side light in your lounge. The vintage aesthetic will create an interesting look in your interior, and the nice blue finish will slip in seamlessly into many design schemes.
