PRODUCT DESCRIPTION

Designer: Charlotte Perriand

Applique Cylindrique Longue Wall Light by Nemo Lighting

The bigger version of the [Applique Cylindrique wall lamp](#), the Applique Cylindrique Longue wall light was designed by Charlotte Perriand. Exploring how lights can be functional and technical, Perriand designed this wall lamp with a pivotal screen that can be easily moved to manipulate the light output.

The Applique Cylindrique Longue wall lamp has a stylish light blue, anthracite grey or white finish and has a simplistic and vintage aesthetic that will look lovely in many interiors. The large size makes it perfect to use as the main light in smaller spaces or can be used as a directional light to highlight certain features of a room. Apply to the wall vertically or horizontally to suit your needs.
