PRODUCT DESCRIPTION

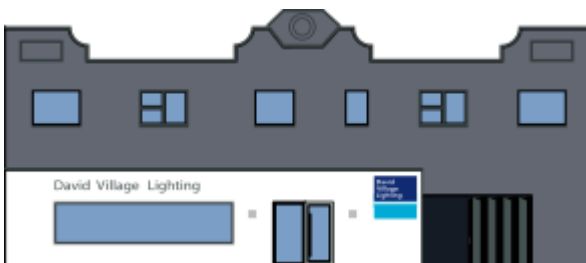

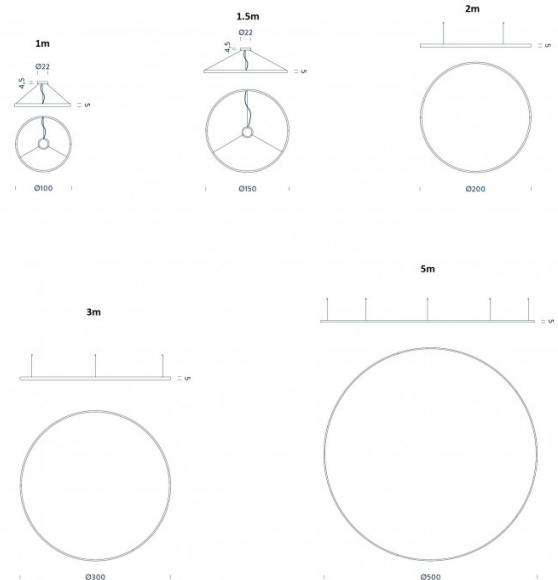

Zirkol C LED Suspension Light by Nemo Lighting

The Zirkol C suspension is part of the [Nemo Lighting Zirkol collection](#), a range that is made up of aluminium pendants which all have their own unique shape. This circle suspension has a sleek and minimalist look, being useful as both a decorative and general light source, with an integrated LED that is long-lasting and effective. Available in 5 sizes, the 1m, 1.5m, 2m, 3m and the 5m, you can find the right size for your space, or even mix and match sizes to create variety.

The possibilities of the Zirkol C pendant light are endless with 3 colour finishes available, white, black or matt gold and the choice between a 2700K (warmest white), 3000K (warm white) or 4000K (cool white) colour temperature. You can also choose between a pendant lamp that provides just a downlight or both an uplight and downlight. Truly versatile and contemporary, the Zirkol C pendant lamp is suitable for a wide variety of settings and uses!
