PRODUCT DESCRIPTION

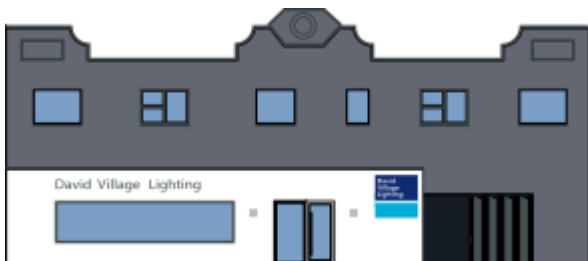

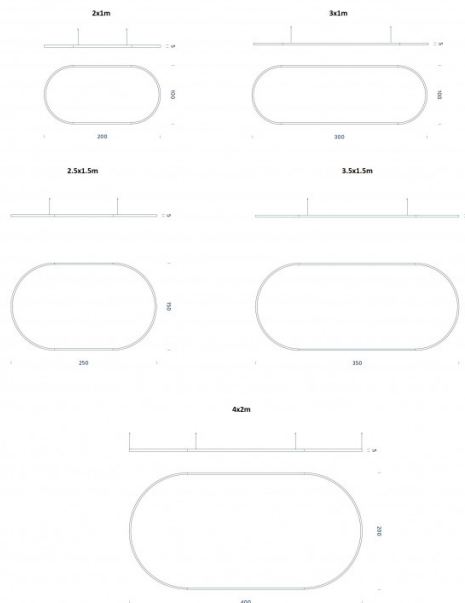

Zirkol O Suspension Light by Nemo Lighting

With an oval shape, the Zirkol O suspension has lovely straight edges and curved ends, being a beautiful geometric sensation perfect for many interiors. Available in 3 chic colours, white, matt gold or black and with the choice between 3 colour temperatures, 2700K (warmest white), 3000K (warm white) or 4000K (cool white), you can find the right look and light setting for your space.

The Zirkol O pendant light can be used as both a decorative and functional lighting solution with the choice of an uplight and downlight or just a downlight light configuration. The integrated LED light source ensures an long-lasting illumination and with the choice of 5 sizes, you can effectively provide light for both big and small rooms. Match with other lights from the [Nemo Lighting Zirkol collection](#) for a consistent light scheme.
