Applique à Volet Pivotant Plié Wall Light by Nemo Lighting

The Applique à Volet Pivotant Plié wall light is the biggest light in the [Nemo Lighting Applique à Volet Pivotant collection](#), and has a simplistic rectangular form. This wall lamp was originally designed by Charlotte Perriand, a 20th century icon who made her mark on the design world with her functional yet stylish designs.

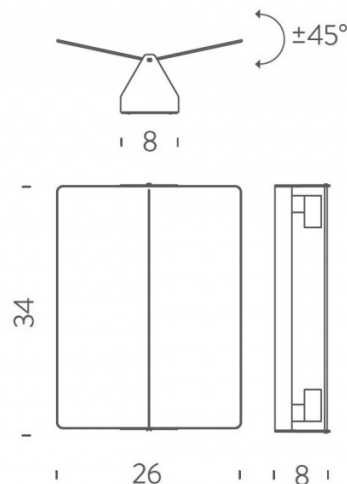

The Applique à Volet Pivotant Plié wall lamp is available in 2 colours, black or natural anodized aluminium, which can both stand out or subtly slip into your design scheme. The front of the wall light has two sides that can individually be tilted up to 45° to direct the light flow which is both warm and soft. The wall light can be installed both horizontally or vertically on the wall and will be a gorgeous addition to homes, offices and commercial settings.
