PRODUCT DESCRIPTION

Designer: Lucie Koldova

Ivy Battery Table Lamp by Brokis

The newest addition to the Ivy collection, the Ivy Battery lamp is inspired by nature with a branch like structure that is sleek and eye-catching. The lampshade is made from glass which diffuses the light source to produce a warm and soft glow, perfect for many settings. The Ivy Battery is a portable lamp, equipped with a charger cable and also an integrated system which allows for wireless charging.

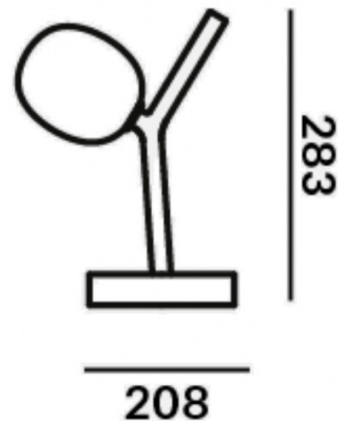

The Ivy Battery table light can last for 6 hours when fully charged and on the highest light setting and also can be dimmed when touched on any part of the metal structure. This portable table lamp comes with the choice of a light pink, opal or smoke grey glass shade which is paired with a chic white metal structure. Use in many spaces for a natural and modern light fixture which is both functional and decorative.

The Ivy Battery portable lamp is also available with an anthracite grey metal structure. Please [contact us](#) for more information and prices.
