Caleo 3 Pendant Light by Le Klint

The newest addition to the [Le Klint Caleo collection](#), the Caleo 3 pendant expands on the design of the [Caleo Original pendant](#) by removing the brass bar and using a more subtle white finish without brass details.

Designed by Rikke Frost, the Caleo 3 pendant lamp utilises the signature paper shades that are used by Le Klint across the whole lighting brand. The pleated lampshade conceals the light source to produce a warm and ambient glow which is perfect for use as a main light in any interior. Use in offices, homes, commercial spaces and more to add a touch of Danish classicism and style.
