PRODUCT DESCRIPTION

Designer: Omer Arbel

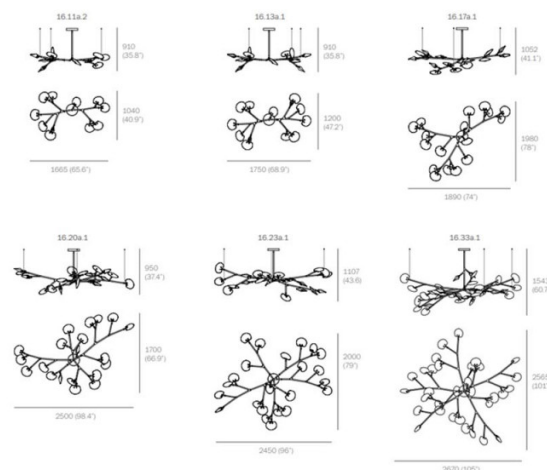

16 Series Armature Suspension Light by Bocci

The 16 Series Armature suspension has a branch like aesthetic, with glass shades that resemble leaves. Each lampshade is created by pouring molten glass in three layers on a horizontal plane, making a truly unique piece as each layer mixes together. The structure is made from metal and has sleek stems for a natural and authentic look.

The 16 Series Armature pendant lights are available in a wide range of sizes and versions, from pendants with 5 lights up to 33 lights available. The suspension also is available with 4 different glass colour, grey 1, grey 2, white 1 or white 2. You can use the Armature pendant lamp in many settings, and works well as a main light thanks to the included LED light bulbs and overall illumination.

PRODUCT SPECIFICATION

- Light Source:** Max 1W G4 LED (included)
- IP Code:** 20
- Dimming:** Non-Dimmable.
