PRODUCT DESCRIPTION

Designer: Tom Dixon

Tom Dixon Beat LED Tall Pendant

The iconic Beat lights by Tom Dixon are now available with an integrated LED light source. Tall and slender, like its name suggests, the Beat Tall pendant lends itself to any space and interior, and can be installed in pairs or a trio over the dining table or entrance hall.

The Beat light shades compliment each other, in the Tall, Fat, Stout or Waist shapes and can be installed as a group statement. The pendant is available in three finish options, Black/Brass, White/Brass or Brass. Dimmable via mains phase dimming, both trailing and leading edge, you can easily adjust light intensity.

All three finish options are supplied with a black cable, 2.5m long, allowing you to hang the light as high or as low as you desire.

Explore the full [Beat light collection](#) for inspiration.

Please note, that the LED ring is non-replaceable
