PRODUCT DESCRIPTION

Designer: Tom Dixon

Beat Flat LED Pendant Light by Tom Dixon

A part of the [Tom Dixon Beat collection](#), the Beat Flat LED pendant updates the design with an integrated LED light source. The lampshade is made from spun brass, with a black exterior and a brass interior which provides a warm glow. The pendant lamp has curved and clean lines, with a contemporary aesthetic that is eye-catching.

The Beat Flat LED pendant is best used over surfaces for useful lighting and can also be used as a main light. Use this pendant alone or in multiple and match with other pendants from the Beat range to create a beautiful design scheme throughout your interior.

Please note, that the LED ring is non-replaceable
