PRODUCT DESCRIPTION

Designer: BIG

Gople Mini Suspension Light by Artemide

Designed by BIG, the Gople Mini suspension is part of the [Artemide Gople collection](#), a popular range from the Italian brand. The lampshade is created using a traditional Venetian glass blowing technique, allowing for ancient practices to come to the modern era. The glass has a gradual effect which is available in 5 colours, bronze, white, copper, blue sapphire and silver which all lend a unique look to any interior.

The metallised colour finishes are created using an environmentally friendly vacuum process and these finishes also expose the light source subtly when turned on. The suspension can be used alone or in multiple to suit your space and could be paired with the regular sized [Gople pendant](#) to create a varied aesthetic. The pendant lamp provides a warm glow which is also directed downward, making it useful for many functions. A gorgeous light that combines traditional ideals with contemporary design.

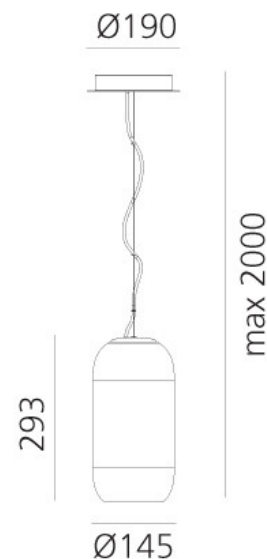

PRODUCT SPECIFICATION

Light Source: 1 x Max 6W E14 LED (excluded)

IP Code: 20

Dimming: Dimmable via mains phase dimming

Dimensions: Ø14.5cm shade
30cm shade height
Ø16.5cm ceiling canopy
200cm max. drop
