Castore Suspension by Artemide

Designed by Michele de Lucchi and Huub Ubbens for Artemide, Castore pendant lights are distinguished for their clean design. The Castore pendant lights won the Red Dot Design Awards (2004), the Compasso d'Oro/A.D.I. Segnalazione (2004) and the Design Plus, light + building (2004).

The tapering stem transitions smoothly onto the blow glass diffuser. Castore pendants are available in 4 sizes to match your interior decor. When multiple pendants are installed, the Castore can have a stunning effect in the room. All lights are dimmable, when used with a dimmable light source, via mains phase dimming. The suspension lights suit any interior, whether residential, in hospitality or for commercial use.

The Castore collection also includes a [floor lamp](#), available in one size, and a [table lamp](#), in three sizes to choose from.
