Glo-Ball Mini Suspension by Flos

At just 11.2cm, the Mini Glo-Ball pendant by is the smallest in the Glo-Ball suspension series. Although miniature in size, it retains Glo-Ball's characteristic features of a spherical glass diffuser in a white opal colour which appears as a floating orb when switched on.

The opal glass provides diffused light which fills the room without giving any glare. The Glo-Ball Mini pendant light is ideal for smaller spaces or displayed as part of a cluster of Glo-Ball pendants of the same or varying sizes. The [Flos Glo-Ball collection](#) also includes a range of ceiling, wall, table, floor and suspension lights.
