Gregg Table Lamp by Foscarini

Designed by Ludovica and Roberto Palomba, the Gregg table lamp is a simple luminous bubble made of acid-etched glass thoroughly inspired by nature. The glass shade sits atop a simple circular base, creating a light that emanates a soft glow that creates a welcoming and inviting atmosphere.

Available in three sizes, small, medium and large, the Gregg table light is a decorative yet functional designer light that is a warm companion in your home. Perfect for use on tables, desks, side tables and shelves, this table lamp is wonderful for lighting up the room to create a cosy ambience with a unique and chic design. You can also get creative by using it as a floor lamp or by clustering several sizes and colours together, being a stunning feature for the room.
