Snoopy Table Lamp by Flos

We currently have limited stock of this item in our [Clearance section](#).

Inspired by the profile of Charlie Brown's dog of the same name, the Snoopy table lamp has a friendly expression and instantly recognisable silhouette. Designed in 1967 by Achille & Pier Giacomo Castiglioni the Snoopy table light features a curved enamelled metal reflector contrasted with an angled white Carrara marble base, providing a diffused delicate light.

Full of personality, this table lamp by Flos is perfect to utilise on a nightstand, desk or sideboard. The table light is a classic of modern design and features an integral touch dimmer and is available in four colour finishes: orange, black, green or blue.
