**PRODUCT DESCRIPTION**

**Designer:** Ferruccio Laviani

**FL/Y Pendant by Kartell**

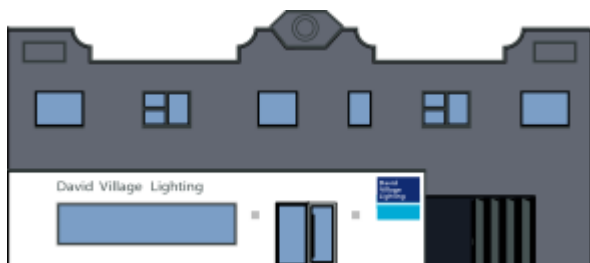

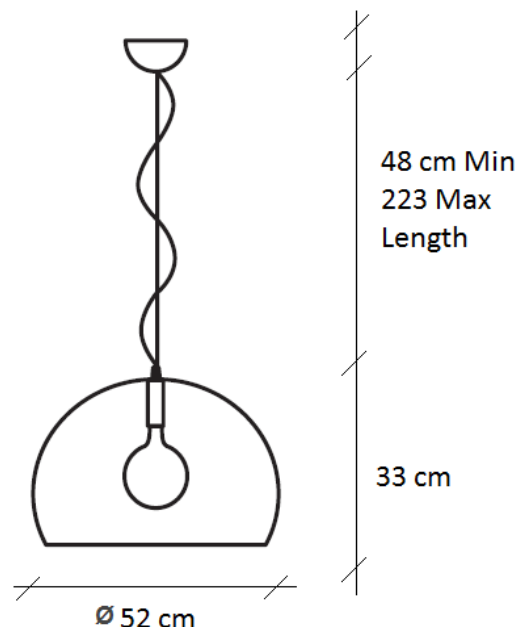

The original FL/Y, designed by Ferruccio Laviani, in a medium size with a diameter of 52 cm, comes in various playful colours and finishes. The fact the shade is not perfectly hemispherical was a decision made by Kartell to maximise the light collection of the pendant, giving a glistening and iridescent light display.

This iconic 21st century design is perfect for kitchens, bedrooms or living areas expressing the cheerful and joyful spirit of Kartell, used either as a singular pendant or a cluster or linear display.

The Kartell Fly Pendant is also available in a smaller [38cm](#) and larger [83cm](#) size.
