Circus Ceiling/Wall Light by Foscarini

The Circus wall/ceiling light is a beautiful, elegant light that uses a timeless design to produce a warming and welcoming atmosphere. The name Circus comes from its circular shape and the lampshade is made from gorgeous blown glass. The light is diffused by the glass, creating an evenly-spread illumination that is soft and warm.

The Circus ceiling/wall light is available in 2 sizes, small and large, so you can find the right size for you space. Very versatile, this light can be used on walls and ceilings and will provide enough light to fill the room, whether you use alone or in rows. To create variety, buy several in different sizes to create a magnificent cluster that is chic and the epitome of stunning Italian design.
