Cosmic Angel Ceiling Light by Artemide

Cosmic Angel series was designed by Ross Lovegrove for Artemide. Lovegrove is known for being influenced by organic shapes and inspired by the logic and beauty behind nature. Cosmic Angel ceiling light has a lightweight design, made from thermoplastic material. The ceiling light has a natural flow, as if opposing the laws of nature and suspended by anti-gravity. The Cosmic Angel creates a sense of infinity, and the body is illuminated from below adding to its elegant presence. The Cosmic range also includes a [suspension light](#).
