PRODUCT DESCRIPTION

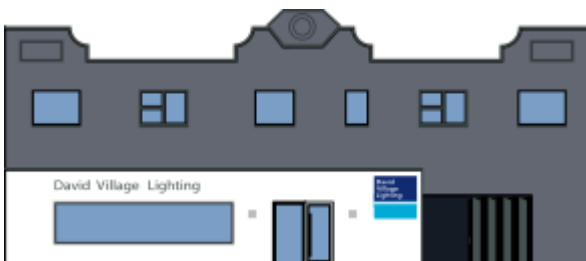

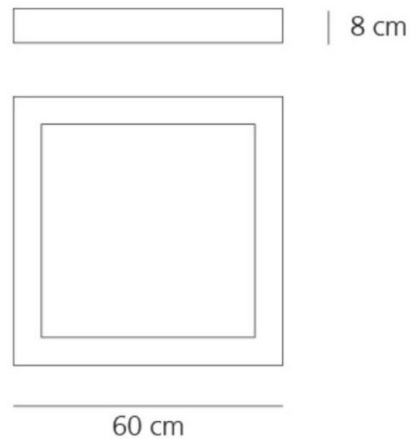

Designer: Carlotta de Bevilacqua

Altrove 600 Ceiling / Wall Light by
Artemide

A unique design by Carlotta de Bevilacqua for Artemide, the Altrove wall and ceiling light is creates a play of light and reflection. The Altrove 600 LED creates this illusion of space when installed, as the prismatic surface creates the feeling of larger spaces. You can install the Altrove either as a wall or ceiling light, and you can choose you install more than one and form a reflective surface. The ideal lights for office spaces, especially open working areas or large corridors but you can also use at home in any room. Complete the design with the Altrove suspension light.
