PRODUCT DESCRIPTION

Designer: Marc Sadler

Fabbian Beluga Table Lamp

The Fabbian Beluga Table Lamp is an influential design by Marc Sadler that prioritises functionality and adjustability. Featuring a polished chromium-plated structure, with either a coloured Venetian Murano glass or steel diffuser. This diffuser is available in transparent crystal, red, yellow, blue, copper, light green, white or steel.

Marc Sadler found his inspiration during his studies on the essence of matter, crafting a spherical lamp head that resembles the varying particles in matter: protons, neutrons and electrons. The Beluga Table Lamp works as an exceptional task light on your desk or side table, producing a focused illumination that you can easily direct.

Please note, the images show the light fitting with a PAR-20 GU10 lamp but this light source has now been replaced with a PAR-16 GU10 lamp which is slightly narrower and therefore leaves a slight gap between the lamp and the rim of the light fitting. Lamp not included

PRODUCT SPECIFICATION

Light Source:	1 x Max 7W LED GU10 PAR16 (excluded)
IP Code:	20
Dimming:	In-line on/off switch on the cable.
Dimensions:	Head: Ø9cm Height: 12.5cm Depth: 12.5cm
