PRODUCT DESCRIPTION

Designer: Jasper Morrison

Glo-Ball Table Lamp by Flos

A stylish and minimal light by Flos, the Glo-Ball table lamp was designed by Jasper Morrison in 1998. The diffuser is made from hand blown opaline glass while the stem and base are made of high-thickness steel, creating a contemporary and chic look.

The Glo-Ball table light emits a diffused glow and immediately adds a warm ambiance to the room. An excellent choice for both your home or office and commercial spaces, the table light also has an electronic dimmer on the cable allowing you to adjust the brightness. Complement your table lamp with a matching pendant, ceiling, wall or floor light from the [Glo-Ball collection](#).

A compatible [Flos 15W LED E27 T38 Dimmable Bulb](#) can be purchased separately.
