Fabbian Bijou Pendant Light

Designed by Prospero Rasulo, the Fabbian Bijou Pendant is available in two sizes and three sleek monochrome finishes. Rasulo was inspired by nature and gentle shapes, the result being a contemporary downlight that resembles a falling raindrop and can adapt to a wide range of modern interiors. Each finish of the Bijou Pendant comes equipped with a matching ceiling canopy, configuring a cohesive aesthetic and a refined design.

Not only does the Bijou Pendant make a beautiful addition to residential homes in kitchens, but it can also be utilised within the commercial sector, especially in hospitality settings. Thanks to the focused downlight, Bijou truly shows off its personality when installed above kitchen islands, countertops, dining tables and side tables.
