KTribe F2 Floor Lamp by Flos

The now iconic [Flos KTribe collection](#) was designed by Philippe Starck in 2007 for Flos. The KTribe F2 floor lamp is the medium sized floor lamp of the collection, and is a timeless design that will certainly catch the eye. The shade has two components, an inner diffuser which holds the light bulb and directs it to the top of the lampshade, and an outside shade that is made either from fabric or coloured PMMA.

The KTribe F2 floor light has a dimmer switch included so you can create the atmosphere you want. The lampshade and diffuser means a soft glow is created that will easily fill the room. This floor light is perfect for lounges, bedrooms and dining rooms, and with 4 finishes to choose from you can find the right colour for your space.
